## Section Two: Reading Test

Dear Billy,

How are you doing? Are you still busy studying? My parents take me to Hualien for three days. On the first day, we take a train there. At about 11:30, we arrive at Taroko National Park by bus. We take some pictures there. The second day, we go to Farglory Ocean Park by hotel bus. We have a good time. The dolphins there are so cute. The last day we go to a farm. We have a big lunch there. After that, we go back to Taipei at about 19:20.

Can you talk about your holiday? Where are you go and what do you do there?

Best wishes,
